October 6, 2006

To Whom it May Concern;

RE: Lot 2, Adams County Certified Survey Map #1855, Doc# 299057,
located in the Northeast Quarter of the Southwest Quarter, Section 9,
Township 14 North, Range 6 East, Town of Dell Prairie, Adams County, WI.

On October 6, 2006 I and John Smith located the existing lot corners of the property and found 3/4" diameter iron rods undisturbed at each corner of Lot 2. The southeast corner of Lot 1 was not recovered. The northeast corner of a steel shed encroaches on the property about a foot at the location of the southeast corner of Lot 1. This lot corner appears to be under the shed wall or was removed during construction of the shed. JLG

Steel "u" fence posts were placed adjacent to each rod found and four additional posts were placed at random intervals along the west line of Lot 1.
