Dear Mr. Stroede:

I am sorry to have taken so long in answering your letter of June 11, 1975, but I misplaced the original correspondence and have only recently recovered it.

I would suggest that you contact an attorney for advice in this matter. He may want to obtain another deed from the seller or perhaps it can be handled by an affidavit of correction from Mr. Zietlow, the surveyor who discovered the error.

Mr. Mullen now resides someplace in northern Canada. I will try to get his address for you should you want to contact him regarding your cost in this matter.

Sincerely,

Anthony B. Kiedrowski
