Dear Swain:

We are in the process of making land ownership maps for Adams County. The taxlister's department records show that you are the owner of two lots in Section 36, T14N, R7E, near Mason Lake. We can find no other document that would give us a more specific description of the property.

Do you have a deed showing your ownership. If so, we would certainly appreciate a copy so that we can proceed with the mapping.

Sincerely,

Anthony B. Kiedrowski

Enclosed as you requested is the description of the property we own on Lake Mason. This copy was made from the mortgage document that was held by Baraboo Federal S & L. The description that appears on the title is quite blotchy and does not copy very well since the typing was done back in the 30's. However, it is identical to that which appears on the mortgage. Sorry to be so long in answering; your request was temporarily misplaced.
