Scale  
1"=200'

- ⊙ = Found harrison monument.
- = Found 3/4" round iron rod.
- = Set 3/4"x24" round iron rod weighing 1.5#/lineal foot.

Bearings are referenced to the west line of the SW1/4 of Section 28 and assumed to bear N1°16'20"W.

Surveyors note: The basis for the section subdivision was a section summary filed in the county surveyors office. I found the west line of the SW 1/4 to be somewhat longer than the section summary and split my dimension for the "40" line.

I, Kenneth G. Carlson, registered land surveyor, hereby certify that I have surveyed, staked and mapped the above described parcel and have complied with the provisions of A-E 5.01 Wis. Adm. Code to the best of my knowledge and belief.
