Re: Original Request No. 64

Dear Tony:

Enclosed find a new tie sheet for the west one-quarter corner Section 27, T15N, R7E, along with a new section summary sheet for Section 27.

I believe I spoke to you about four weeks ago as to the problems we had in this section. This survey took place during a time when our EDM was returning some faulty data to us.

I will also be filing another certified survey map to supercede Certified Survey Map #469. If you have any questions, feel free to contact me.

Sincerely,

MID-STATE ASSOCIATES, INC.
