- = Found government corner (harrison cast iron monument).
- = Found 2" pipe.
- = Found 3/4" round iron rod unless shown otherwise.
- = Set 3/4"x24" round iron rod weighing 1.5#/lineal foot.

All boundary corners marked with 5' steel fence posts with an orange and white flag on top. Also nearby trees marked with pink ribbon.

Bearings are referenced to the south line of the SW $\frac{1}{4}$  of Section 12 and assumed to bear N88°34'30"W and rounded to nearest 30".

The westerly corners of the SW-NE $\frac{1}{4}$  Section 14 have not been surveyed with this survey. However Lot 1, CSM No. 499 and the boundaries of Section 14 have been surveyed previously. I used the previous survey information to compute and set the corners in this Section.

\*Surveyors note: I have surveyed the SW-SW $\frac{1}{4}$ -NE $\frac{1}{4}$  because the north portion of this "40" is described as the "North 20 acres". Since this "40" is slightly bigger than 40.00 acres, my staking splits the extra.
