#LEGEND#
● = 3/4" IRON ROD
◉ = 1½" IRON PIPE

SURVEYORS NOTE:

AFTER MANY HOURS OF RESEARCH THROUGH PUBLIC RECORDS, AN EXTENSIVE FIELD SURVEY OF THE IMMEDIATE AREA, AND TALKING TO OLD RESIDENTS OF THE AREA WE RECONSTRUCTED THESE 2 BLOCKS.

IT APPEARS WHEN THIS PLAT WAS ORIGINALLY LAID OUT IT WAS ONLY DONE ON PAPER WITHOUT ANY FIELD WORK AND HAS LACKED A COMPETENT FIELD SURVEY EVER SINCE. I WOULD STRONGLY RECOMMEND THAT THE TOWN OF EASTON, SHOULD ORDER AN ASSESSOR'S PLAT OF THE OVER ALL WHITE CREEK AREA TO SOLVE THE PRESENT OCCUPATION — TITLE PROBLEMS.

SURVEY FOR
PAEPKE - MILLER - HORTON

LOCATED IN BLOCKS 1 AND 6 OF WILLIAM BARKERS ADDITION TO VILLAGE OF CASCADE (WHITE CREEK), TOWN OF EASTON, ADAMS CO. WISC, NW¼-SW¼ SEC. 36, 16-5
