

CERTIFICATE OF SURVEY.

STATE OF WISCONSIN, } ss. M. G. Smith Surveyor, in and for the County and State aforesaid, do

ADAMS COUNTY.

hereby certify that I have surveyed and subdivided Section one Township 17 North of Range 6 East of 4th Principal Meridian, as represented by the courses and distances on the following plat, and annexed field-notes of survey:

Established the center of the section at the point of intersection of straight quarter lines.

Established all quarter-quarter corners upon the section boundary at proportional distances between known section and quarter section corners, according to the original field-notes of the Government survey.

Established all lost corners at proportionate distances between known corners, according to original field-notes of the Government survey:

Plat of Section 1, Township 17 North, Range 6 East of 4th Principal Meridian. Scale, 80 chains to 6 inches. The figures in red ink are the lengths of the lines as stated in the field-notes of the Government survey.

Declination of the Magnetic Meridian from the True Meridian _____ East.

Surveyed and subdivided Oct 7 A. D. 1907, in accordance with the State Laws and Instructions of

the Commissioner of the General Land Office, and recorded on pages _____ of Register in the County Surveyor's office.

WITNESS my hand this 7th day of Oct A. D. 1907. M. G. Smith Surveyor.

The above work was for John Zerank

MINUTES.

Beginning at the identified Quarter Post on the north side of section one on town line and ran south at 6-D-V. to the ^{Quarter Post} Quarter Post on the north side of section one 82 chains & 68 links. In establishing said Quarter Post I ran the line on the south side of the section from both corners identified, at 6-D-V. Distance 80 chains & 12 links. Then from the Post at the center of the section ran 20 chains East & set Post and ran 20 chains West & set Post. Then North 20 chains and 23 links & set Post. Then East 20 chains & set Post. Then East 20 chains and set Post, all a 6-D-V.
