Beginning at the quarter Post on East side of section 35- found old Post from stump of old Bearing, (made 2 new ones) and ran west at 6-V-Y, 79 chains & 90 links to the quarter Post on west side of section 35; found Post but nothing to prove st. so went east at Yappa corner, could find nothing there, but started from center of Highway and ran north at 6-D-V, 40 chains, which came to same Post as we did in running the quarter line. Then went north to the North west corner of section 35 found 2nd Bearing & Post, and ran south, with offset around Bluff at 6-D-V 39 chains & 36-links and concluded that said quarter Post was correct.
