Adams County Surveyor
Rt. 2 - Box 363
Wisconsin Rapids, Wisconsin 54494

Dear Tony:

In regard to your letter of August 26, 1975 concerning S $\frac{1}{4}$ corner of Section 17, T20N, R6E, Ken Carlson called me and stated that it made no difference to him where this corner was located in as much as N.E. Isaacson & Associates own the land on the south side of Canterbury Addition to Lake Sherwood, in the NW $\frac{1}{4}$ -NE $\frac{1}{4}$ of Section 20, T20N, R6E.

We will use the harrison where it is, as it fits the E.D.M. travers~~e~~ of adjoining sections.

Sincerely,

MID-STATE ASSOCIATES, INC.
