LOCATION (Indicated by 'X')

SEAL:

BASIS FOR MONUMENT LOCATION

(Use reverse side if necessary)

Show info such as: History of corner, with reference to Vol. and pg, dates, surveyor; exact description of monument replaced; if location computed, by taped or EDM traverse; landowner remarks, etc.

Ran EDM/transit traverse around Sections 19 and 30, and to adjoining government corners to determine search areas.

Could find no evidence of the original corner or any remonumentation.

Set corner by single proportionate measure along Town line between the Northwest corner of Section 19 and the evidence at the West Quarter corner of Section 31 as shown in a survey by David Clark, S-993, of Mid-State Assoc. dated January, 1970.
