I previously set this monument using transit and tape from control of the 2nd order taken for aerial photography around Lake Arrowhead. This control was along Apache Ave. and CTH D. Since that time I have an EDM and the roads are now in and I found this corner to be slightly off from the section summary of 14-20-5 of May, 1976. Therefore I moved the harrison about 0.4 southwest to fit the section summary and the original control. There appears to be no other surveys tied to this corner.

Below are the new ties.
